

# Invitation to the DISE webinar

## DISE Server management and licensing models

### DATE & TIME

Thursday 23<sup>TH</sup> of February

9:00 AM & 4:00 PM (CET/CEST)

### LEARN HOW TO MANAGE A DISE SERVER

There are several ways to buy and use a DISE system. You can do it the cloud way and manage your players through our web based CMS on a monthly basis, or buy your own DISE Server, and host your own networks. Our qualified technician will guide you through how to manage your own DISE Server, and the different licensing models.

### THE TOPICS ARE:

- System recommendations
- Manage your server
- Licensing models
