DET NYA MERVÄRDET I DISTRIKT 2360

Välkommen på ett interaktivt webinar, exklusivt för Distrikt 2360  
Onsdag 4 november kl. 18:30-19:30

## AI for Non-AI's, or Artificial Intelligence for Dummies :-)

På webinariet kommer ni, förutom att få lyssna på Reza Moussavi också prata i smågrupper med Rotarianer från andra klubbar. Föreläsningen sker på engelska, men samtalet i smågrupper sker på svenska

### Speaker for tonight: Reza Moussavi

Director of the AI Center in Sweden.  
Member of EU alliance of AI.  
Business mentor at the Founder Institute, one of the largest tech accelerators in the world.  
Thesis supervisor, and teacher assistant at the University of Gothenburg

AI is not and should not be limited to AI experts. Applications of AI across industries have a far bigger impact than any other technology. In this session, we discuss AI for the non-AI audience to understand and recognize the applications of AI in their industry and profession.

#### What we will talk about:

- What is Artificial Intelligence
- Quick view on major keywords such as AI, ML, NLP, Robot
- AI and Equality/discrimination
- Safety and Security
- Regulations around AI in Sweden and EU
- AI vs labour work (losing jobs)
- How every industry and profession can benefit from AI
